

ASTBURY
FORMENTERA

Many of you will have enjoyed a holiday to Formentera with us before as we experience a high level of re-bookings every year. However, we would like to carefully explain to you, and our new guests, how we operate and take you through our booking procedures designed to safeguard your important holiday plans.

About us

We are **not** a package holiday company – we **are** specialists in supplying high quality holiday accommodation on the beautiful island of Formentera and have been doing this successfully since 1982.

Our properties are selected by us after a careful inspection and are contracted by us directly with the owners.

We check all our properties regularly and ensure that they are maintained to the highest standards.

Our Formentera manager will be available throughout your stay to provide you with general island information (restaurants, transport, beaches, shopping etc) and to help with any situation that may arise during your holiday where you require assistance.

Your flight

It is important that you realise that the prices shown are **not** inclusive of flights.

You have the complete freedom of choice as to how you get to Formentera.

We do not have a flight allocation and do not sell flights ourselves.

We do, however, provide you with a list of recommended flights with timings that connect with the ferries from Ibiza to Formentera.

You may book your flights either:

- Through our recommended agent Village Travel
- On-line (we can not book these flights for you)

Either way, we will help provide all of the information and advice you require. We offer good advice about how your proposed flights will connect with transfers from Ibiza to Formentera and for your return journey.

Your security

Village Travel is a highly reputable and trustworthy ABTA bonded agent. They will book the best flight for you from the airport of your choice, if available, and only with a reliable flight company. Your contract will be directly with Village Travel and the flight company. The flight company's confirmation documents will be passed on to you, thus confirming their ATOL number which affords you protection for your flight.

Free transfer facility

Your transfers, from Ibiza airport to your property and return, including the ferry crossing, is a facility provided free with your accommodation booking **only** if your flights are booked with Village Travel as this is the only way we can guarantee that you can be met at the airport.

If you choose to book your own flights on-line, we may also be able to help you plan your journey to and from Formentera using our transfers operators. Please speak to us about this.

With our transfer facility you will also receive assistance from Elaine Balfour, our resident manager in Formentera, who will:

- Meet you on arrival in Formentera harbour and arrange your private taxi transfer to your property.
- Take care of your transfer arrangements to connect with your return flight.

We will do everything possible to ensure that you have a most enjoyable holiday on our beautiful island.... **Formentera**.... still the Mediterranean's best-kept secret.
